on johns mind

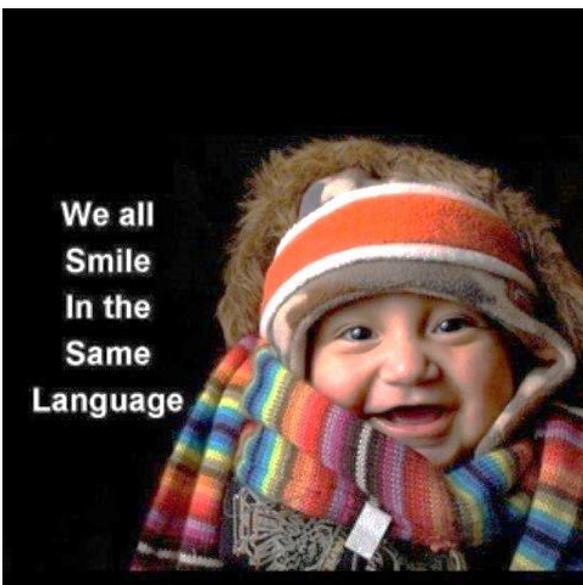

As I am sitting in front of the computer tonight the weather outside is absolutely rotten. Not in the sense that it is smelly rotten but windy and wet, wet, rotten !

WINTER has arrived ! No more watering the garden plants but you may be using more electricity, so the power bill goes up and the water bill goes down. What a Yoyo. Not very good for my next

project – Renovating my leaky deck ! Yes I noticed a few damp patches on the ceiling of my carport some time ago and thought nothing of it but after a couple of winters it has become a major ! The galvanised long-run under the decking has rusted thru and if not for the good ol' chinese tarpaulin that I got from the Warehouse 'where everyone gets a bargain' I would be having a shower every time I use my Hyundai when it rains. Yeah. And with all the other jobbies piling up I guess I'll just sleep over it. Yawn n n.

There has been some good news since the last newsletter, the police has matched the fingerprints left by the person when they broke into our home, Yeah ! The negative side of this is that they are dealing with a minor (under 17yr when the crime was committed)) so usually they are on curfew and home detention ? ?

As this person (a female) has committed other burglaries since breaking into our property the Police hope to have this girl prosecuted as an adult and hopefully do some time in jail. Well we shall see as the case is later this month.

Now just a few activities yours truly got involved in.

Chairmans message

Winter has hit with a vengeance this week as I write this article. Since my last report it has been a busy time for our community.

At the end of March you elected a new committee to help run the Association for the next 2 years. We welcome several **new committee members**, Connie Lui, Michelle Wai, Wong Liu Sheung, Jennie Sew Hoy and Donald Sew Hoy. Cathrine Ming has been elected as Treasurer and she brings with her a wealth of experience in accounting for non-profit organisations.

A large contingent of 90 people represented Auckland at Easter in Dunedin. This year we achieved some very good results which will hold us well in the next few years with the junior basketball teams sweeping all that stood in front of them.

The main message I would like to impress on the membership in this newsletter is that on Sunday July 12 we will be holding a function to celebrate the **Auckland Branch 80th Birthday** and the book launch of the NZCA History book - **Turning Stone to Jade**. The function will be a luncheon at **Alexandra Park** in Greenlane. Please see further in the newsletter for details.

It is a great opportunity for the community to come together to celebrate this milestone. So make up a table of family and friends and come out to renew old acquaintances and make new

ones. I hope to see you all there on the day to celebrate our community.

CHINESE POLL TAX HERITAGE TRUST –

RESEARCH PROJECT ON CHINESE LAUNDRIES IN NEW ZEALAND

Some of us may remember the **local Chinese laundry**, where our parents or grandparents worked for long hours in hot, steamy conditions. Laundry work was one of the main occupations that Chinese immigrants to New Zealand took up after the gold rushes, along with market gardening and fruit and vegetable and grocery stores. **Chinese laundries** were so prevalent by the late nineteenth and early twentieth centuries, they became an ethnic stereotype, particularly in the United States and Canada.

The **Chinese Poll Tax Heritage Trust** has commissioned a project to research and produce a publication on the history of Chinese owned and operated laundries in New Zealand. We need to ensure that this significant part of New Zealand's social history is not lost; this project aims to preserve our memories of those times.

If you or your relations have any information, photographs or memories to share about Chinese laundries, please contact:

The first meeting for the year was on Sunday 8 February 2015, blueberry picking at Blueberry Country, 229 Central Road South, **Ngatea**. We were all laden with buckets of blue berries, and visions of blueberry muffins

Ngatea Water Gardens was next up. Unfortunately the website was not up to date, and there was no café for a picnic lunch. The walk at Ngatea Water Gardens was beautiful, and included a museum, housing over 11,000 beer, soft drinks and unusual cans; a gift shop with crafts and souvenirs; and home to some of NZ's oldest turtles, birds, fish, peacocks and ducks; flowers, water lilies, fountains, waterfalls and hilarious signs. The trip home included the ever popular stop off for Pokeno ice cream and Bacon.

A BBQ at Cornwall Park was held on Sunday 22 March. Thank you to Myra and Jessie for the great organisation, and for the preparation and cooking on the day.

Our first indoor meeting for the year was Saturday 18th April 2015. Ann Chin, a successful writer, has been on Television and spoken to several organisations about her books, and life experiences. Ann presented on her book, From China to Borneo & Beyond. Ann gave an insight of her life growing up in Borneo, traditions and her family. Afternoon tea and raffles ended the day.

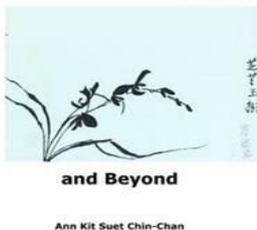

The next meeting will be June 2015, with Nancy Young presenting from Camera to Print.

July will be the annual Yum Char, with invited guests from Hamilton Womens Group.

All enquires should be made to Myra Lowe myralowye469@yahoo.co.nz We welcome all newcomers

From China To Borneo

Due to unforeseen circumstances, Annette Huang was unable to present the Zengcheng Village talk

on May 16 2015 Meeting. This much looked forward presentation will be rescheduled in the next few months.

The May meeting started with a with cooking demonstration by Jessie Edmonds, making Gow Choi pancakes; May Young demonstrating ribbons and bows; book swap and 2 tables of mah-jong

SAVOURY MUFFINS

(recipe makes 1 dozen)

- 2 onions chopped and lightly sautéed
- 2 garlic cloves
- 3 or 4 zucchini grated
- 3 carrots grated
- 3 rashers of bacon finely chopped
- 1 ½ cups of self-raising flour
- ¾ cup oil
- 6 eggs lightly beaten
- 1 ½ cups tasty grated cheese
- 2 tblsp oyster sauce

Mix together lightly. Bake 20 minutes in muffin pans at 200°

Suggest fold baking paper into cups and line the muffin pans with these as they do tend to stick no matter how well you grease the pans!

NZCA Easter Sports and Cultural Tournament report:

The **Annual NZCA Easter Sports and Cultural tournament** was held this year in the deep south in Dunedin hosted by the Otago Southland Branch. It was pleasing to see that so many Aucklanders made the trek down to Dunedin with over 90 players and supporters travelling.

The team was a good mix of families and open participants. Everyone that played over the weekend represented Auckland with skill, grace and good sportsmanship. Over all it was a very successful tournament for Auckland winning the below grades;

Tiniball, Miniball, Intermediate Miniball and Men U17 basketball.

Men's touch.

Indoor Soccer

Individual Golf- David Wong

Womens Badminton Doubles- Jasmine Yeo and Sangya Zhou

NZ Invitational China National under 19 team report:

In April the Association had the pleasure in hosting the touring Men's China under 19 Basketball team when they visited Auckland for 2 games against an Auckland NBL development team. This tour was to help them prepare for the Men's Under 19 World Championship to be held in Greece in June this year.

To be able to watch these young world class athletes up close was an opportunity not to be missed as they played to two sell-out crowds at the AUT North Shore Recreation Centre.

Also during this tour, NZCA brought together a group of Chinese New Zealand development players who had played at the recent NZCA Easter Sports and Cultural tournament for the opportunity to train and scrimmage against the China National under 19 team. Auckland was represented by Richard Liu, Devon Ahmu, Matt Loulanting and Theo Farrow.

The NZCA team also played the curtain raiser to the China versus Auckland games both games were won by the NZCA Invitational Development team.

I would like to thank the Auckland branch committee members that helped in hosting the team for dinner, led by Connie Kum was Meilin Chong, Elsie Wong, Percy Kai Fong, Jennie and Donald Sew Hoy, Lynette Wong, Myra Lowe

雕石成璧 Turning Stone into Jade
The History of the New Zealand Chinese Association
by David Fung

Published with support from the Chinese Poll Tax Heritage Trust, **Turning Stone into Jade** tells the story of one of New Zealand's oldest Chinese community organisations. In its early incarnations, the NZCA offered kinship and a united voice for an often marginalised and fragile minority.

As the New Zealand Chinese evolved into a community with a sure sense of place in the country's growing diverse population, the NZCA has had to adapt and change to reflect its current and future needs. **Turning Stone into Jade** is the story of how a community founded by sojourners and migrants has adapted to a new homeland, far from the place of their ancestors' birth.

Written by David Fung, this book comprises an extensive range of records from the Association's archives and other historical research, supplemented with photos, illustrations and contributions from its thirteen branches across the country.

NZCA CANTONESE MUSIC SCHOOL

JOOK NEE SUNG YUT FAI LOCK - HAPPY BIRTHDAY

10 years ago (August 2005) NZCA Cantonese Music School emerged from a chance meeting with Lina Liang at the NZCA Banana Conference in July of that year (Lina was doing a Masters paper in Bilingual Ed. – basing learning through the language of Music). I had been in the field of education for many many years and recognized this as a unique method for learning a language. I saw this as an opportunity for our young children (my grandchildren) to learn Cantonese in a fun and un conventional way.

The NZCA Cantonese Music School started in August 2005.

Mission Statement:

“To foster the learning of the Chinese (Cantonese) language as a second international language through a bilinguual programme utilising music and movement as an effective teaching medium”.

Music and movement is a really dynamic and entertaining way to stimulate children’s learning.

The best time for children to learn a language is between the ages of three to seven.

What is the Programme???

Singing nursery rhymes in Cantonese (real easy for the three year olds to learn), recognizing and learning numbers and colours through song. Role play - yumchar . All reinforced with a CD with over 20 songs for parents to take home - Learning for life – “If you don’t use it then you lose it”

From age five they can start recognizing the Chinese characters to the songs and learn to read and write.

A very good base for the learning of mandarin at College. “ A Head Start”. There is no difficulty adjusting to the Mandarin language and there is no difference in the written language. Chinese in Malaysia can learn up to five languages/ dialects.

Dear Members and family,

NZCA Auckland Youth Leadership Camp -

Thursday 10th December to

Sunday 13th December 2015

Following the highly successful Youth Leadership Camps in 2011 and 2013 - NZCA Auckland is hosting a third camp on 10-13 December 2015 at Camp Adair, Hunua.

This is a great opportunity to support our high school members in Year 9 (Form 3) to Year 13 (Form 7). The camp offers a comprehensive leadership, cultural and team building experience for over 40 Chinese students from across our community, with the added energy and enthusiasm of Albert King (inspiration and leadership motivation consultant based in Singapore).

There will be great interaction over the weekend with key speakers from a diverse cross section of leaders across our community, whilst alumni facilitators will motivate a versatile outdoor and cultural programme. The activities cover confidence courses, Chinese calligraphy, Chinese traditional dance, career booth rotations and much more to ensure an intensive and fulfilling programme for all participants.

The benefits will translate into the participants becoming more confident and capable young leaders within our community and beyond. The camp provides a stepping stone to our other NZCA leadership initiatives, being the Leadership and Development Conference (for ages 18 - 30) and the social business networking forum - Future Dragonz

(<http://www.futuredragonz.org.nz/index.html>).

Please spread the word to your family, friends, sons, daughters and wider network - and register now!

GOCK, Mr Moo Lock (Joe)

For services to the horticulture industry

Mr Joe Gock has been a market gardener since the 1950s

Mr Gock was a pioneer in raising kumaras using under-earth heating in modern hotbeds. He also developed a disease-free strain of kumara, now a mainstay of the kumara industry known as Owairaka Red.

In partnership with the Department of Scientific and Industrial Research he developed a prototype kumara curing shed, which reduced crop losses from 50% to less than 1% allowing the seasonal crop to be marketed all year round.

In the late 50s he successfully grew seedless watermelons and to distinguish this he placed stickers on individual fruit, now a common practice and marketing tool in the industry. In the 1980s he bought and patented a mould for bushel sized polystyrene boxes for packing and transporting broccoli while keeping it fresh. These polystyrene boxes are still in wide use today.

He has been a member of the Chinese Commercial Growers Association for more than 60 years, and has mentored young Chinese growers. He is also a member of the Dominion Federation of New Zealand Chinese commercial Growers.

Mr Gock was featured in the 2012 book 'Sons of the Soil: a history of Chinese Market Gardeners of New Zealand'.
